AIM is truly a life-changing experience. However, because of our focus, it is also very demanding. Students will be held to high standards in their studies as well as their character. As a result it can be very stressful at times. Anyone who struggles with authority, impurity, low self-motivation, or even depression should wait another year and focus on those issues before coming to AIM. If you believe you are ready to serve the Lord as a missionary apprentice, please sign and return this form to the AIM office.
