

Dear Future **AIMer**,

We look forward to receiving your application. I was thrilled to hear that you were interested in the **Adventures In Missions (AIM)** program, a special way to become involved in serving God.

AIM is a two year program especially designed for young adults who want to accept the challenge of their Lord: "**go therefore and make disciples of all the nations...**" Our **AIM** students are taught and trained by the dynamic Bible faculty of Sunset International Bible Institute for 8 months. The decision you may make to experience this "**adventure**" will forever mark the beginning of an unbelievable number of blessings for people in such places as Brazil, Scotland, Japan, Ecuador, Australia, and even these United States.

Enclosed you will find some information sheets regarding **AIM** and some additional forms required for your acceptance into **AIM**. Also enclosed is an application.

Please note: **the Health Form requires a physical from a medical doctor with his or her office filling out that portion of the form.** Also, we require a **high school transcript** and a **college transcript** (if you have been to college). The remainder of the \$150.00 enrollment fee mentioned on the "Sample Budget" sheet is due at registration (the first \$50.00 is due as soon as possible and is non-refundable). Also, note on the "**Things to Bring to Lubbock**" list, all the **required** items, especially the **dress code and passport.**

So that I can get to know you better before you arrive in Lubbock, **please write a letter to me stating why you would like to be a part of the AIM experience.** Please send this to me as soon as possible. I will need this letter along with the **three recommendations, health form and school transcripts before we can finalize your acceptance into the AIM program.**

With the **Class of 2006**, we celebrated the thirty-third year of **AIM**. You will be following the faithful example of over 1400 who have gone to some 125 mission points in 45 nations. We are praying and preparing for your arrival here.

As you begin to make arrangements to be with us, pray for us as we pray for you. Every Wednesday at noon **AIMers** around the world devote time in special prayers for you, asking our Father to so work in your life that not only will you come here, but that you will in the months ahead go to the nations.

We thank God for you...for your willingness to be used by God to make a difference in your world. If you have any questions, please call our office and we will do our best to help you.

AIMing with you,

Kris Smith
AIM Director
